## Preschool News

September was a lot of fun. We learned about our amazing bodies. Each week we had a different theme pertaining to our bodies. We hope our new little daily notes being sent home daily help you to engage your child at home, as well as at Safari.

Miss Marni, our preschool teacher, will be starting full time October 2. She was kind enough to help Tuesday through Friday part time, while she finished up at Y Kids. We will be sending out a biography on Miss Marni this month so our families can get to know her better.

We said goodbye to Miss Madi. She has taken another job in Hull, Iowa at a bank. We wish her the best of luck, and had a fun year with her! On that note, Pamela will take over the assistant preschool position. She comes from Lutheran Social Services working as the assisted lead teacher in the infant – preschool classrooms.

## Fall

As the weather gets more confusing this Fall, please dress in layers. It is sometimes cold in the morning, and sizzling in the afternoon.

## CACFP

We will be handing out our annual CACFP (Food program) papers. Please fill out the schedule and the eligibly parts, return to office by 10/15/2017. Thank you!

## Dates to Remember

### October 9

No School at OES

### Every Month

We start PLAC this month! The kiddo's will be riding the bus to the art center once a month until June 2018. This is a fun adventure. Please have your child wear green! We will go every third Friday of the month. (10/20)

## Thank You

This Month, the organization that we donated to was the Edinboro University Wrestling Scholarship Fund. If you have a favorite organization, or family in need, please email us at [safarichildcare@live.com](mailto:safarichildcare@live.com). We do our best to help an organization or a family in need every month.
