MEMORIAL DAY

Spring is Here!

We have FINALLY been able to spend more time outside! We are asking that each family bring one spray sunscreen. If your child has sensitive skin and requires a specific sunscreen, please label it. Also, if you could please apply sunscreen on your child before they come to Safari we would greatly appreciate it. We're going to try to spend more time outside during drop off hours, so if your child has already applied sunscreen he/she can go straight outside for some fun!

Staff Changes

Unfortunately, we are going to have a couple staff changes. The first one being Alex. Alex has been with us since 2015. The children have all grown up with her, and she has been a big part of their lives. Alex is taking another position at a different company. She is still going to stop in and see the Children as often as she can. We are very sad to loose such an amazing person. Good luck on your new adventure Alex!

On that note, Miss Brittaney will be following her children to the Preschool room starting June 1st. We will have three staff in there. JayLinda, Brittaney, and a float. If you know of any amazing friends who love being around children, please have them apply at Safari! We are looking for a float. Thanks!

HAPPY MOTHER'S DAY

to all of our amazing Safari Moms!

We appreciate all you do!

New Policy for School Aged Children

Safari will no longer be able to enroll children over the age of 5, when school is out this Spring. We have had a difficult time juggling our full time families' schedules with the after school crowd, so we have chosen to limit our after school kids to those who are 5 years old or younger. We apologize for any inconvenience, and wish you the best! This was also stated in the November newsletter.

Tuition Increase

Tuition prices will change September 1, 2018. A letter will go out to families regarding the price increase. Please read the letter, sign, and put in the folder next to the schedule. Thank you!
