safarichildcare@live.com

New Software

Safari will be changing our software program to a new program called Procare. This system allows us to do everything electronically. Registration, children's profiles, accounting, bill payment, etc. We will be doing away with the Daily Connect application and applying our new app towards our busy every day adventures! We look forward to the upcoming updates!

Fall Schedules

Hard to believe we're planning for the fall, but we already have people calling about fall preschool enrollment. If your child will be attending school at OES in Fall of 2018, please let us know ASAP if you will still be needing child care before or after school, so we know how many new friends that we can take on at that time. Thank you!

Dates to Remember

July 3

Closing at 5:15 PM

July 4

Safari CLOSED

Every Wednesday

Water Day! Please bring your child in swim gear with a labeled towel. Also, please remember to apply sunscreen to your child before arriving at Safari.

We would also like to welcome baby Larson to Safari, along with baby Parrott! Welcome to the family guys!

Our building looks pretty bare. "Bare" with us. Our new sign will be going up in the beginning of July. We have a fancy new logo!

This month we have ordered ORGANIC CHICKENS from Okoboji Pastures. We are super excited to enjoy fresh chickens from a family owned organic farm!
