

APRIL 2019

Weather Changes

Spring is (hopefully) here! We will be going outside as often as we can. Please dress your child in layers, and in clothes that are ok to get dusty. Also, we prefer tennis shoes over sandals. It just helps keep rocks out of your child's shoes so we can make the most of our outside time!

Spring Pictures

Creative Photography will be here the morning of sometime in May to take spring pictures. Order forms will be on the front table towards the end of April. All children will be in class photos (unless you request otherwise), but there is no obligation to purchase. Dates are to come!

Boji Rocks! Painting, hiding & finding rocks!!

The goal is to get as many people in our community painting rocks to hide around Okoboji on a mission to spread happiness! You can paint pictures, write an encouraging message on them, or do both! Try it!

Dear Parents,

Coming June 21, 2019 we will be closed for an employee gathering. These ladies have worked hard this winter caring for our littles, helping me out, and taking care of the facility. We wanted to show our appreciation by taking them on a short trip. So.... Safari has decided to close on June 21, 2019. We will reopen as normal June 24th.

I will allow an extra vacation day for June 21, 2019. It will automatically be added to your invoice. Thank you all for letting us enjoy your little ones every day!
